

Teen Skills - Winter Term 2019

Week 3 Old School - Leave (Get Out) (Jojo)

Dylan I've been waiting all day here for ya bae
So won't ya come and sit and talk to me
And tell me how we're gonna be together always

Montana Hope you know that when it's late at night
I hold on to my pillow tight
And think of how you promised me forever

Georgia I never thought that anyone
Could make me feel this way
Now that you're here boy all I want
Is just a chance to say

Get out, right now
It's the end of you and me
It's too late, and I can't wait
For you to be gone 'cause I know
About her, and I wonder
How I bought all the lies
You said that you would treat me right
But you was just a waste of time

Ruby Tell me why you're looking so confused
When I'm the one who didn't know the truth
How could you ever be so cold?

Isabella To go behind my back and call my friend
Boy you must have gone and bumped your head
Because you left her number on your phone

Jennifer So now after all is said and done
Maybe I'm the one to blame but
To think that you could be the one
Well it didn't work out that way

Get out, right now
It's the end of you and me
It's too late, and I can't wait
For you to be gone 'cause I know
About her, and I wonder
How I bought all the lies
You said that you would treat me right
But you was just a waste of time

Teen Skills - Winter Term 2019

Dixie I wanted you right here with me
But I have no choice you've gotta leave
Because my heart is breakin'
With every word I'm sayin'

Kacey I gave up everything I had
On something that just wouldn't last
But I refuse to cry
No tears will fall from these
Eyes, oh, oh
Get out!

Oh get out, right now
It's the end of you and me (you and me)
It's too late, and I can't wait
For you to be gone (you to be gone) 'cause I know
About her, and I wonder
How I bought all the lies
You said that you would treat me right
But you was just a waste of time
Get out, right now
It's the end of you and me (hey yeah)
It's too late, and I can't wait
For you to be gone (you to be gone) 'cause I know
About her, and I wonder
How I bought all the lies
You said that you would treat me right
But you was just a waste of time

Get out
You and me
It's too late too late. You
'Bout her
You said that you would treat me right
But you was just a waste of time
