

# Superstars - Spring Term 2020

## Week 4 Pop - Obviously (McFly)

Recently I've been, hopelessly reaching  
Out for this girl, who's out of this world.  
Believe me.

She's got a boyfriend  
He drives me round the bend  
Cos he's 23, he's in the marines  
He'd kill me

But so many nights now  
I find myself thinking about her now.

'Cause obviously,  
She's out of my league  
But how can I win  
She keeps draggin' me in and I know I  
Never will be good enough for her.  
No, no. Never will be good enough for her.

Gotta escape now  
Get on a plane now. Ooh yeah  
Off to L.A and that's where I'll stay, for two years.

I'll put it behind me I'll put it behind me  
Go to a place where she can't find me, oh.

'Cause obviously,  
She's out of my league,  
I'm wastin' my time  
'Cause she'll never be mine and I know I  
Never will be good enough for her.  
No, no. Never will be good enough for her

She's outta my hands  
And I never know where I stand  
Cos I'm not good enough for her  
Good enough for her  
Enough, enough, enough for her  
Good enough for her

# Superstars - Spring Term 2020

Good enough for her

'Cause obviously,  
She's out of my league,  
I'm wastin' my time  
'Cause she'll never be mine and I know I  
Never will be good enough for her.

She's out of my league  
But how can I win  
She keeps draggin' me in and I know I  
Never will be good enough for her.

She's out of my league,  
I'm wastin' my time  
'Cause she'll never be mine and I know I  
Never will be good enough for her.  
No, no. Never will be good enough for her
